College Loan Forgiveness Workshop: January 26th

Dear SEA Member,

As part of its ongoing educational service to members, SEA (in conjunction with our sister CTA Chapters in Moorpark, Conejo and Las Virgenes) will be holding a NEA Student Loan Forgiveness Workshop on **January 26th beginning at 4:00 p.m. via Zoom**. Student teachers are welcome to attend.

In general, those with Stafford or Perkins loans who teach in “high needs schools” or in a “teacher shortage area” may qualify for this program. Below is the list of schools in Simi Valley that may qualify:

- Apollo High
- Arroyo Elementary
- Berylwood Elementary
- Crestview Elementary
- Garden Grove Elementary
- Hillside Middle School
- Katherine Elementary
- Knolls Elementary
- Madera Elementary
- Mountain View Elementary
- Park View Elementary
- Royal High School
- Santa Susana Elementary
- Sinaloa Middle School
- Sycamore Elementary

In addition, those who teach in identified high needs areas of study in California may also qualify:

- English/Drama/Humanities
- Mathematics/Computer Education
- Science
- Special Education
- History/Social Science
- Physical Education/Health/Dance
- Self-Contained Classrooms

There are too many variables and individual circumstances to list here. Your best bet is to carve out some time and attend this workshop.
